SSANZ · JUDGES DEVELOPMENT SUBCOMMITTEE

Judge's Signature Form

SSANZ is offering trial organisers the option of printing judges' signatures on judging sheets, and on certificates where they can print them, to help everything run smoothly on the day of the trial. It also saves you hand-signing each one. If you're happy to take part, please fill in this form, sign three times in the boxes, and send it back.

What you're agreeing to

- SSANZ may keep a digital copy of your signature and print it **only on certificates and judging sheets for trials you judge**. It won't be used on any other document.
- It will be kept, with the other judges' signatures, in a single password-protected file in the members-only area of the SSANZ website, managed by the Judges Development Subcommittee administrator.
- Organisations running trials will download that file to their own computers to prepare the certificates and judging sheets for trials you judge.
- You can withdraw at any time by emailing `ssanzjdsubcommittee@gmail.com`. Your signature will be removed from the next version of the file.

By signing in the boxes below, you agree to the points above.

For a clean signature

- Use a black felt-tip or gel pen, not ballpoint or blue ink.
- Sign inside each box, not touching the edges.
- Photograph in good daylight, phone held directly above, no shadow on the page.
